# DEDICATION

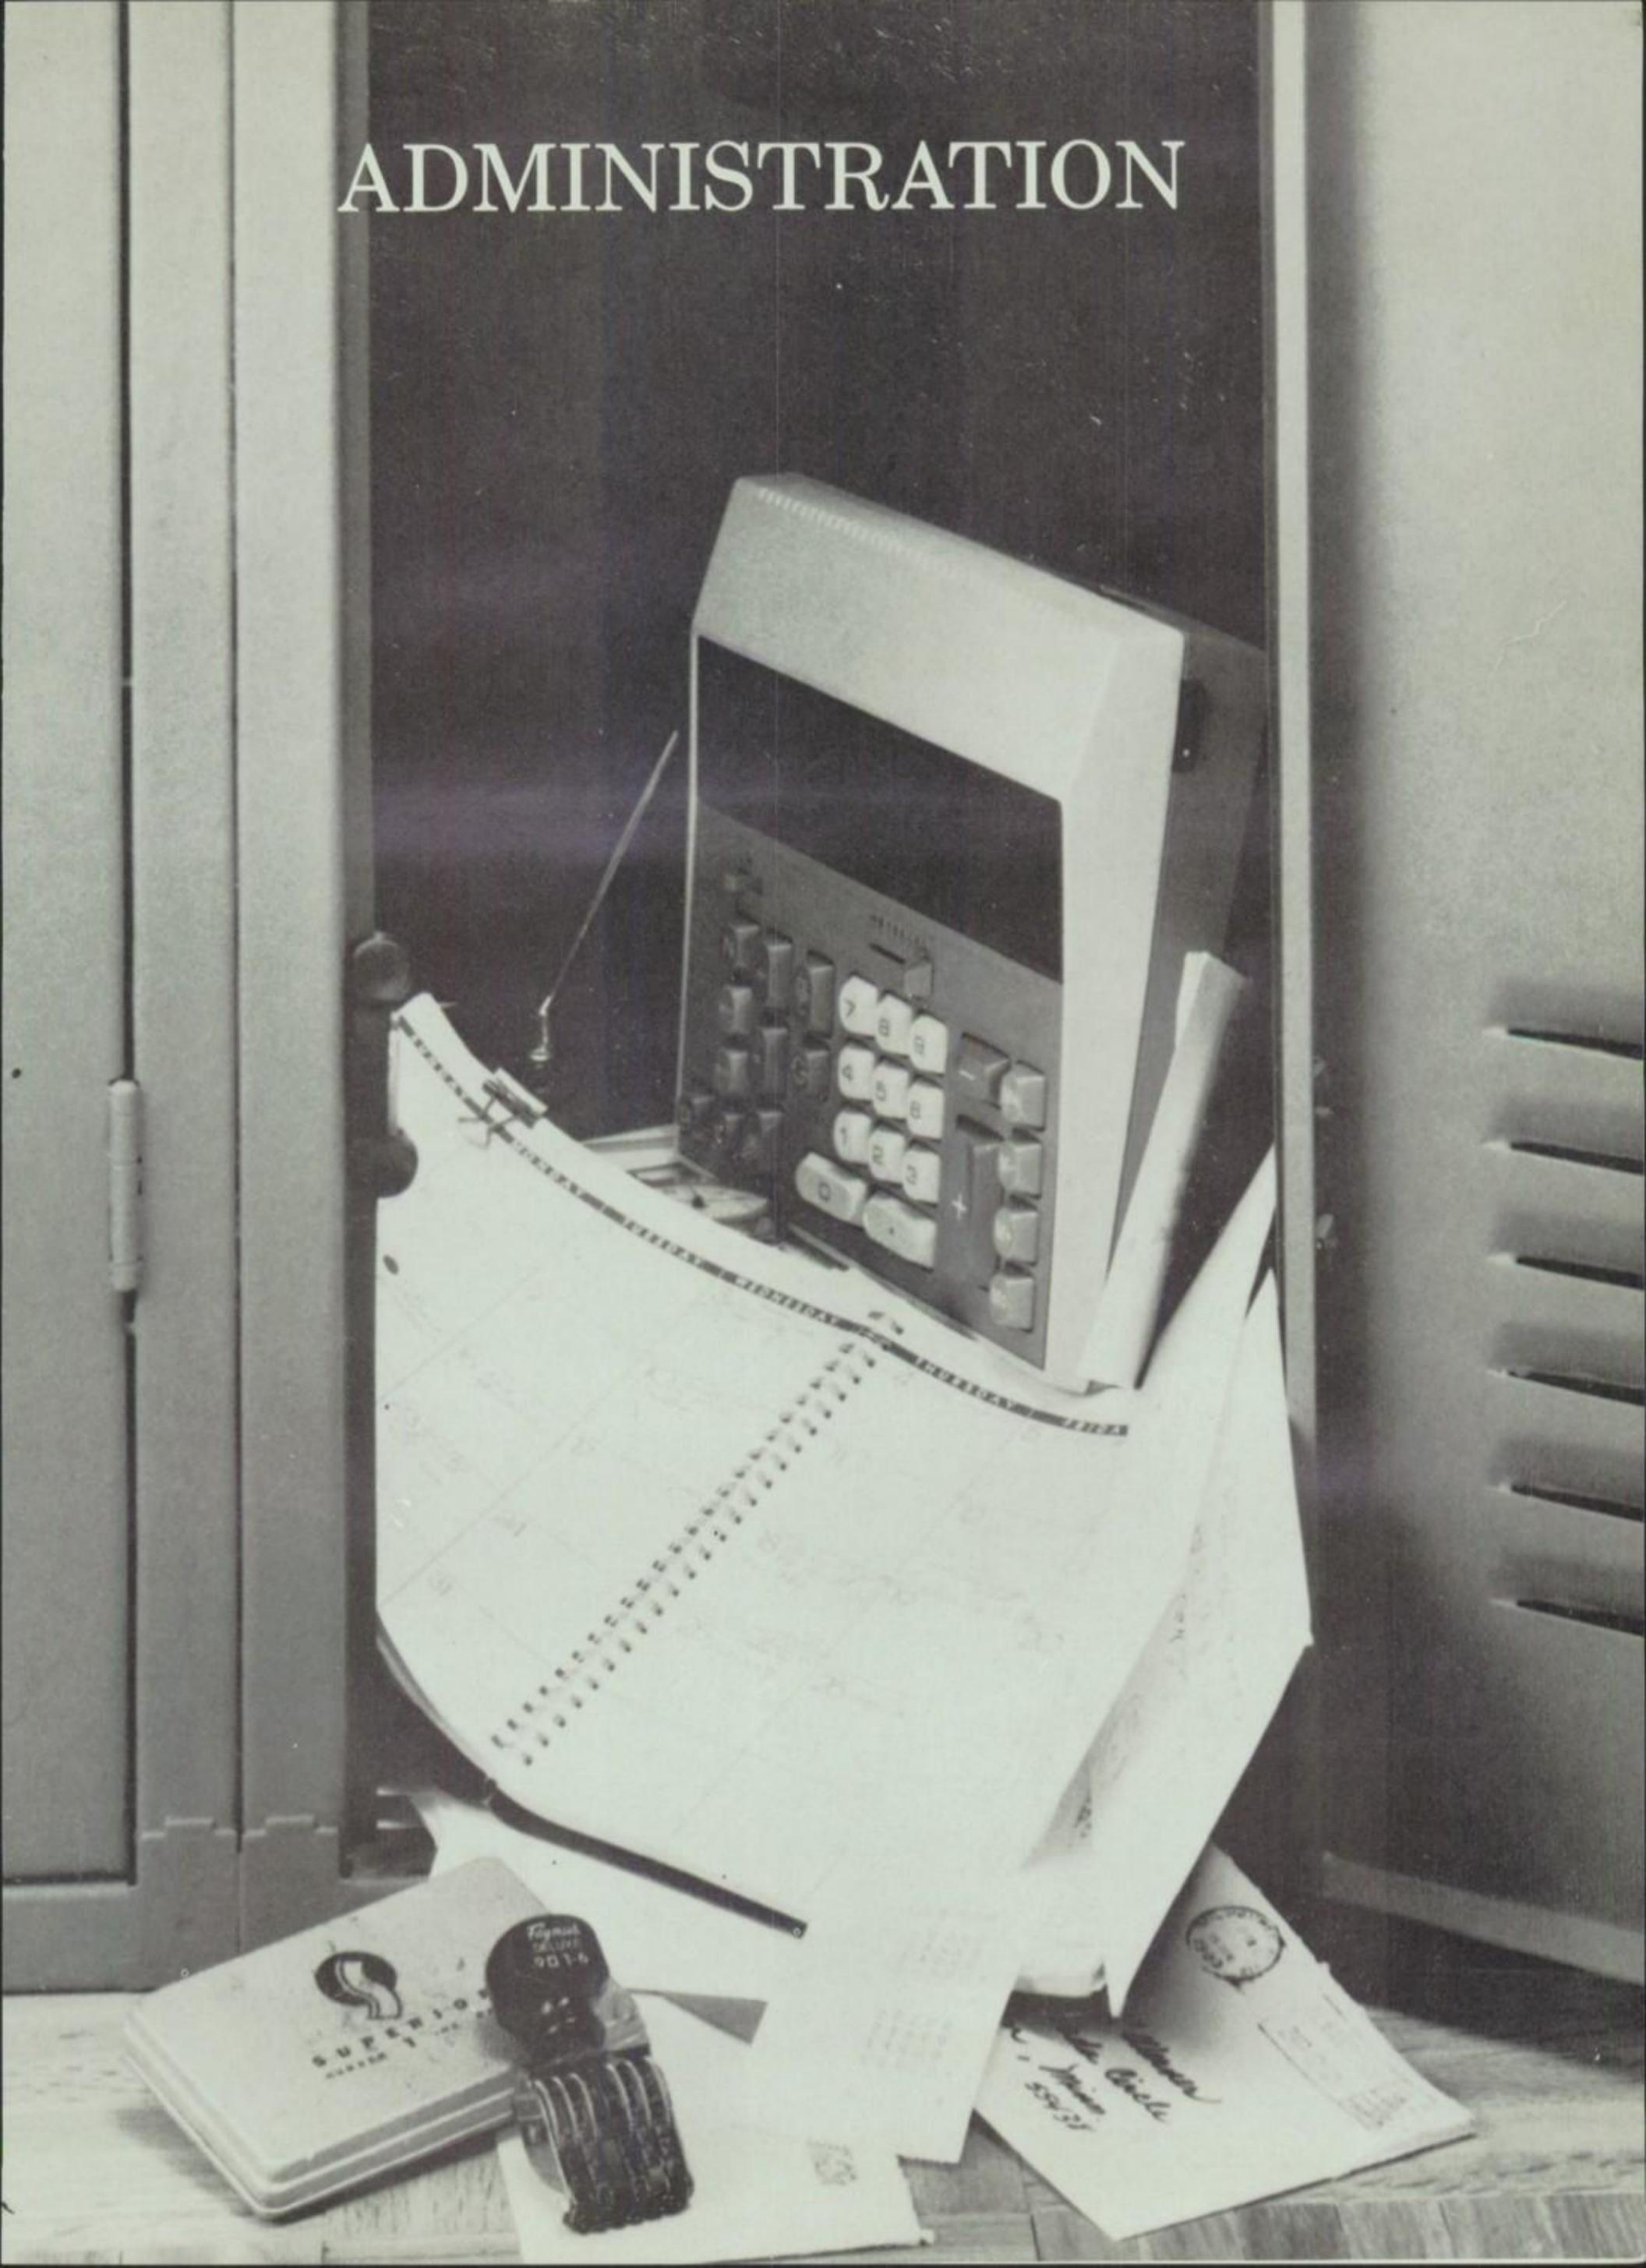

The dedication of the yearbook is an honor given to someone who has contributed to the educational process in a school system. The recipient of this honor usually is a member of the faculty or administration who has greatly influenced our lives in school. The honor this year goes to someone who is a teacher, although she is not officially recognized as one. More importantly, she is our friend and this day allows us the opportunity to express our gratitude and a thanks for her friendship.

As a token of our tremendous appreciation and in acknowledgement of her contribution to both the school system and the community, we, the members of the Senior Class of 1983, dedicate this annual to Mary Lou Sirovy. With this dedication we say thank you for all the lunch tickets you've puched, all the classes you've sat in on, all the admits you've signed, all the bulletins you've typed, and for everything you've done. You can be assured that we truly appreciate your efforts - they have not gone unnoticed.

Again - Thank you!

The best protection I could have.

I'm a true Ivory Girl!

Position 335

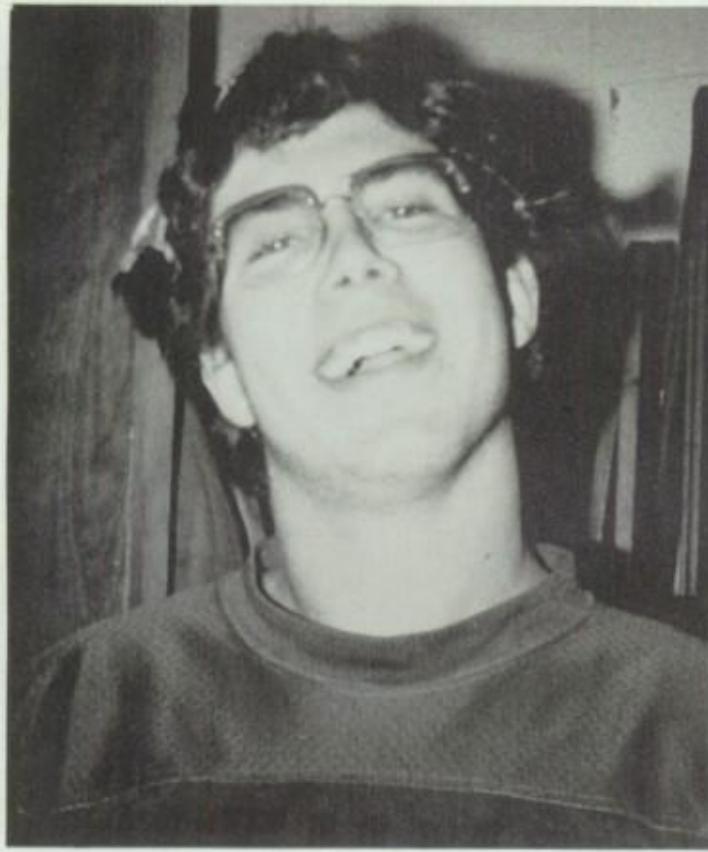

Look, no cavities!!!

I'm never lost because  
everyone is always telling  
me where to go!

Alright who are you talking about?

Look Mom, no hickies!

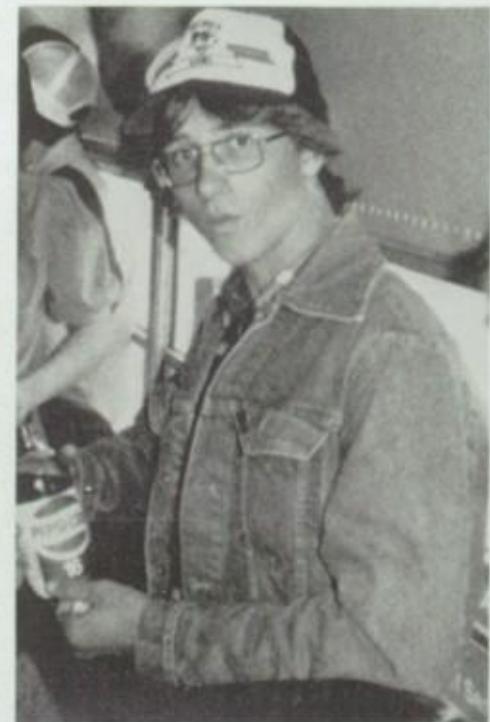

Gag me with a  
butcher knife!

Who left in a hurry?

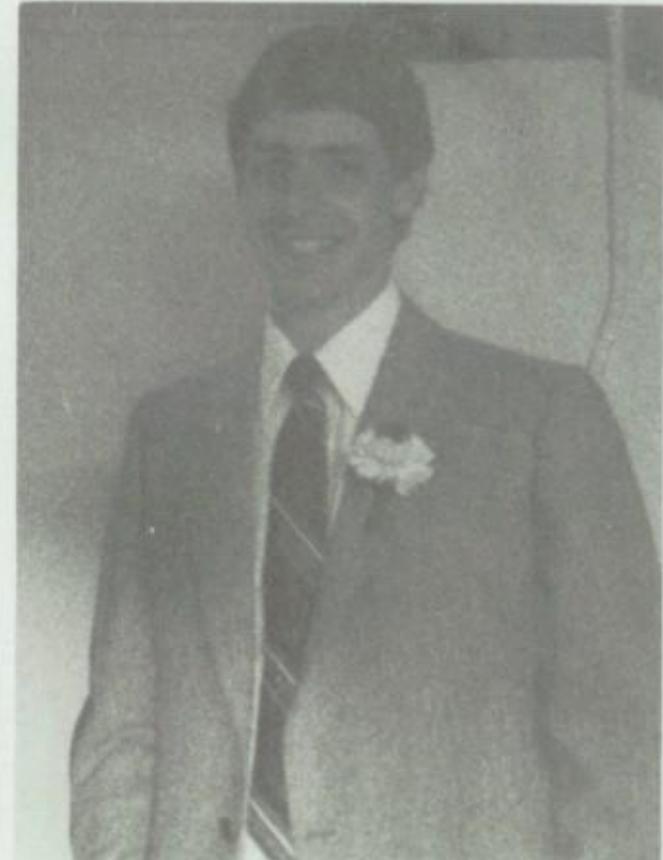

WB...you're always on my mind!

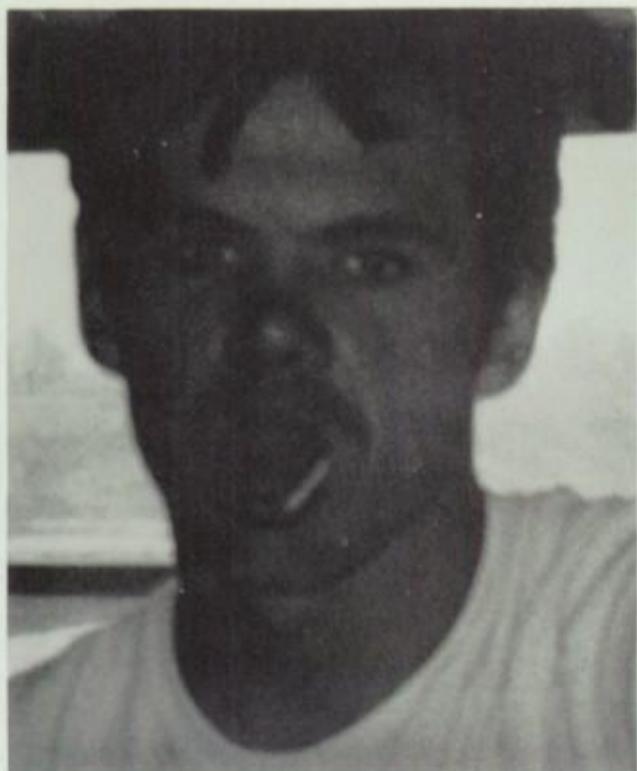

I pick Pepsi over Coke!

It's not my fault, it's  
just what I heard!

All dressed up & no place to go!

I feel a sneeze coming on.

Boy, is this bandanna tight!

Man, that perm was tight!

Hey baby what's happenin'??

I don't understand!!!

Boy was my face red!!

You can't have it, it's mine!

This for sure tops school food!

## A MESSAGE FROM THE STAFF

"A struggle is involved in everything one does, no matter how small the job may seem to be. Yet it is that challenge that makes the accomplishment a noble prize."

From the start we have struggled together to complete this yearbook. We have passed through some very rough seas to make it this far, but we did make it. All of our effort would have been without meaning though, if it hadn't been for the help we received from Steve Sellers and Mary Lou Sirovy. We thank you.

We hope that you have enjoyed this yearbook, and will continue to do so for a long time to come. Remember: Anything worthwhile is worth waiting for.

Thank you,  
Cathy, Carol, and Kelli  
(1983 Annual Staff)
